Description  
Packed with innovative cognitive-behavioral therapy (CBT) techniques to help children manage anger, stress, and anxiety, this book offers a variety of creative exercises and activities. Through games, art, stories, and other activities, you'll discover how to use CBT to help children understand, identify, and manage their emotions, improve coping strategies, and promote healthy thinking. Includes practical strategies for successfully implementing CBT with children, and a bonus chapter on how to use CBT to help children with anxiety. Includes a bonus chapter on how to use CBT to help children with anxiety. Includes a bonus chapter on how to use CBT to help children with anxiety. Includes a bonus chapter on how to use CBT to help children with anxiety.
